

Lawyers in new offices

**MAURICE Blackburn
Lawyers** has opened
new premises at 291
Ross River Rd.
Aitkenvale.

The firm has been
servicing the area for
about 10 years and
previously shared an
office in South
Townsville.

Lawyer Amber Wang
said the new office
would help the firm
continue its growth.

"Our firm has grown
substantially and now
has lawyers in
Queensland, New
South Wales, the ACT
and Victoria, all
fighting for that little
bit extra to ensure the
best possible long-term
solutions for our
clients."

Townsville residents
Leah Harms and
Wendy Stanley support
Mrs Wang and
additional lawyers who
specialise in
superannuation,
medical negligence and
dust diseases and visit
the Townsville region.
