1. OVERVIEW AND SUMMARY

- A. On 9 May 2025, the parties to Proceeding S ECI 2020 04566 (**Proceeding**) in the Supreme Court of Victoria (**Court**) executed a Deed of Settlement and Release (**Deed**).
- B. The Deed sets out the terms of the Proposed Settlement of the Proceeding subject to Court approval. The Proposed Settlement provides for the Defendant to pay a settlement sum of \$72,500,000 (inclusive of costs and interest) (**Settlement Sum**).
- C. On 19 September 2025 the Court approved the Proposed Settlement on the terms set out in the Deed and in this Settlement Distribution Scheme.
- D. This Settlement Distribution Scheme sets out the procedure for distributing the Settlement Sum, which is to be paid in three instalments pursuant to the Deed, and is operative from the date of the Approval Orders.
- E. The Settlement Distribution Scheme has the following key stages:

Stage	Clause	Description
Trade Check Notices and Amendments	Clause 5	The Scheme Administrator will provide all Registered Group Members with a Trade Check Notice containing the Trade Data provided by them during the registration process. Registered Group Members will be permitted to notify the Scheme Administrator of any error, slip or omissions in their Trade Data.
Unscaled Assessed Losses and Estimated Distribution Amounts	Clause 6	Registered Group Members will have their Unscaled Assessed Losses determined by the Scheme Administrator according to the Unscaled Loss Assessment Formula. Based on the Unscaled Assessed Losses, the Scheme Administrator: (i) may determine Interim Estimated Distribution Amounts for each Registered Group Member if the Scheme Administrator determines it is reasonable, having regard to the likely costs, to pay Interim Distribution Amounts; and/or (ii) will determine the Final Estimated Distribution Amount for each Registered Group Member. The Scheme Administrator will notify each Registered Group Member of their Unscaled Assessed Losses, Interim Estimated

		Distribution Amount(s) (if applicable) and Final Estimated Distribution Amount, which is final and binding.
Collection of Bank Account Details	Clause 7	Registered Group Members whose Interim Estimated Distribution Amount(s) or Final Estimated Distribution Amount is more than the Minimum Distribution Amount will be required to provide their bank account details. Registered Group Members that do not provide their bank details by the required time will have their payments forfeited and redistributed to all other Registered Group Members.
Calculation of Distribution Amounts	Clause 8	The Scheme Administrator will: (i) if applicable, calculate each Registered Group Member's Interim Distribution Amount(s), based on the quantum of an Interim Distribution Sum; and (ii) calculate each Registered Group Member's Final Distribution Amount, based on the quantum of the Final Distribution Sum. The calculations will be final and binding.
Payments to Registered Group Members	Clause 9	The Scheme Administrator will pay into Registered Group Members' nominated bank accounts any Interim Distribution Amounts and/or Final Distribution Amounts. The Scheme Administrator will provide Remittance Notices to those that receive any payment(s).
Residual Settlement Sum	Clause 10	After all Final Distribution Amounts are paid, the Scheme Administrator will calculate the quantum of the Residual Settlement Sum and determine how that sum is to be distributed.
Completion of Settlement Distribution	Clause 11	Once all payments are made, the Scheme Administrator will attend to finalisation of this Scheme.

After the Approval Orders have been made and Upheld, Maurice Blackburn will transfer the instalments of the Settlement Sum, which have been paid into the Settlement Holding Fund as at that date, to the Settlement Administration Fund, in accordance with sub-clause 2(f)(2) of the Deed.
- 4.4. The Defendant will pay the second and third instalments of the Settlement Sum into the Settlement Administration Fund if the Approval Orders have been made and Upheld by the respective dates by which those instalments are to be paid, in accordance with sub-clauses 2(d) and 2(e) of the Deed.
- 4.5. The Scheme Administrator will be responsible for the management of the Settlement Administration Fund, and all monies in the Settlement Administration Fund, in accordance with this Scheme.

- 4.6. The Scheme Administrator will, subject to and in accordance with the terms of the Deed, this Scheme and any applicable statutory requirements, hold the money standing from time to time in the Settlement Administration Fund on trust for:
- (a) the Plaintiff and Registered Group Members; and
 - (b) the Scheme Administrator, to the extent of its entitlement to receive Administration Costs in accordance with the terms of this Scheme.
- 4.7. The Scheme Administrator may:
- (a) pay all or a portion of the funds in the Settlement Administration Fund into one or more interest-bearing, fixed term deposit account(s) for varying terms; and
 - (b) at any time, convert the Settlement Administration Fund to a non-interest earning account if it determines that the cost of administering the taxation implications of further Interest being earned on the funds in the Settlement Administration Fund will be disproportionate to the further Interest expected to be earned.

4.8. The Scheme Administrator will pay from the Settlement Administration Fund (or any account, fund or trust established for the purposes of this Scheme and using funds from the Settlement Administration Fund) any taxes, duties or other imposts and:

- (a) may at its discretion obtain expert advice and assistance as to the payability or quantum of the impost, or as to any dispute regarding the same;

Application of Interest

4.9. Interest accruing on the Settlement Administration Fund may be applied, in the first instance, to the payment of Administration Costs.

4.10. Any Interest which is not otherwise required for the payment of Administration Costs will form part of the Settlement Sum and be available for distribution to Registered Group Members, if determined appropriate to do so by the Scheme Administrator.

5. TRADE CHECK NOTICES AND AMENDMENTS

5.1. At all times, the Scheme Administrator must use reasonable endeavours to ensure the accuracy of the Claims Database, including, to the extent necessary, updating the Claims Database for any amended or corrected Trade Data provided under this clause, requesting further information or documents from a Registered Group Member or requesting further information or documents from third parties.

5.2. The Scheme Administrator will distribute a Trade Check Notice to all Registered Group Members as soon as practicable after the Approval Orders have been made and Upheld.

5.3. Within 28 days of sending Trade Check Notices to Registered Group Members, Registered Group Members will be permitted to confirm their Trade Data or notify the Scheme Administrator of any error, slip, or omission between the Trade Data in the Claims

Database, as provided by the Registered Group Member, and the Trade Data set out in the Trade Check Notice (**Trade Data Amendment Period**). For the avoidance of doubt, in notifying the Administrator of any error, slip, or omission in the Trade Data held by the Scheme Administrator, Registered Group Members will not be permitted to register additional new Holdings or additional new trades for existing Holdings that were not registered before the 'Class Deadline' specified in, and otherwise in accordance with, the Opt Out and Class Closure Orders (save for Group Members who are otherwise permitted by the Court to participate in the Proposed Settlement, notwithstanding their failure to register their Holding(s) before the 'Class Deadline').

- 5.4. If, within the Trade Data Amendment Period, a Registered Group Member notifies the Scheme Administrator of any error, slip, or omission in their Trade Check Notice (**Trade Data Amendment Notice**), the Scheme Administrator may, in its absolute discretion:
- (a) request the Registered Group Member provide such information or documentation as is necessary to verify the error, slip, or omission;
 - (b) refuse any request to amend any error, slip, or omission in a Registered Group Member's Trade Data or Trade Check Notice;
 - (c) correct the Claims Database; and/or
 - (d) send to that Registered Group Member an amended Trade Check Notice.
- 5.5. The accuracy of a Trade Check Notice will be deemed to be accepted by a Registered Group Member unless the Registered Group Member, by the conclusion of the Trade Data Amendment Period, delivers to the Scheme Administrator a Trade Data Amendment Notice, together with copies of all documents on which the Registered Group Member relies for the purpose of the amendment, including any statement of reasons for seeking the amendment. For the avoidance of doubt, if a Registered Group Member does not deliver a Trade Data Amendment Notice within 28 days of provision of their Trade Check Notice, the Scheme Administrator may rely upon the Trade Data for that Registered Group Member contained in their Trade Check Notice as true and correct for the purposes of this Scheme.
- 5.6. After the conclusion of the Trade Data Amendment Period, a Registered Group Member's Claim Data cannot be amended, unless necessary as a result of an error, slip, or omission on the part of the Scheme Administrator.

5.7. Notwithstanding any other clause in this Scheme, if, in the opinion of the Scheme Administrator, at any stage a Registered Group Member's Claim Data contains insufficient information or does not otherwise substantiate a Registered Group Member's claim, the Scheme Administrator may, by written notice, require the Registered Group Member to provide and verify by a statutory declaration or other means that the Scheme Administrator deems appropriate and within a time that the Scheme Administrator deems reasonable, such further information as the Scheme Administrator may require.

5.8. For the avoidance of doubt, if:

- (a) following a request made to a Registered Group Member by the Scheme Administrator pursuant to clause 5.7; or
- (b) after the Scheme Administrator's reasonable attempts to contact a Registered Group Member to make a request pursuant to clause 5.7,

that Registered Group Member's Claim Data continues to contain insufficient information or does not otherwise substantiate the Registered Group Member's claim, such as to render the Scheme Administrator unable to provide an Interim Assessment Notice and/or a Final Assessment Notice to that Registered Group Member, the Registered Group Member will forfeit any right to receive a distribution from the Settlement Administration Fund.

5.9. The outcome of the Scheme Administrator's consideration of any Trade Data Amendment Notice is final and binding on Registered Group Members, and Registered Group Members are not entitled to seek a review of the decision or appeal to the Court or any other court or tribunal in relation to any asserted error of jurisdiction, fact or law arising from the Scheme Administrator's decision.

6. UNSCALED ASSESSED LOSSES AND ESTIMATED DISTRIBUTION AMOUNTS

Calculation of Unscaled Assessed Losses

6.1. The Scheme Administrator will calculate Registered Group Members' Unscaled Assessed Losses by applying the Unscaled Loss Assessment Formula to the Trade Data for each Registered Group Member.

Interim Estimated Distribution Amounts

6.2. Following the calculation of Unscaled Assessed Losses, and payment of the first instalment and/or the second instalment of the Settlement Sum in accordance with sub-

clauses 2(c) and 2(d) of the Deed, the Scheme Administrator will determine, having regard to the principles in sub-clause 3.2(b) whether it is reasonable to:

- (a) calculate Interim Estimated Distribution Amounts for each Registered Group Member in accordance with clauses 6.4 and 6.5; and
- (b) send Interim Assessment Notices to each Registered Group Member in accordance with clause 6.6; and
- (c) calculate and pay Interim Distribution Amounts to Registered Group Members in accordance with clauses 8.6, 8.7 and 9.1.

6.3. If the Scheme Administrator determines that it is reasonable to undertake the actions listed at sub-clauses 6.2(a) to 6.2(c) above, then the Scheme Administrator will estimate the portion of the Settlement Sum, which has been paid in accordance with the Deed as at that date, that will be available for distribution to Registered Group Members, taking into account, as applicable:

- (a) the deductions in clauses 8.1 and 8.2; and
- (b) the quantum of any pre-approved Administration Costs or estimated Administration Costs if any such costs are not pre-approved.

Such an amount is an Interim Estimated Distribution Sum.

6.3A. In the event that the Scheme Administrator determines that it is not reasonable to undertake the actions in clause 6.2, the Scheme Administrator will report to the Court within 7 days of making that determination, advising that it has done so and explaining the reasons for its determination.

6.4. An Interim Estimated Distribution Sum will be allocated among the Registered Group Members as follows:

- (a) in the proportion which the Unscaled Assessed Loss of each Registered Group Member bears to the aggregate of the Unscaled Assessed Losses for all Registered Group Members; and
- (b) where the proportional assessment in sub-clause 6.4(a) above is less than the Minimum Distribution Amount, nothing will be allocated to the Registered Group Member, and the amount will be included in the Interim Estimated Distribution Sum for allocation.

- 6.5. An amount calculated in accordance with clause 6.4 is the Interim Estimated Distribution Amount for that Registered Group Member.
- 6.6. The Scheme Administrator will send to each Registered Group Member an Interim Assessment Notice which must include, but is not limited to:
- (a) the Registered Group Member's Trade Data; and
 - (b) the Registered Group Member's Interim Estimated Distribution Amount.
- 6.7. For the avoidance of doubt, the Scheme Administrator, in its absolute discretion and having regard to the principles in sub-clause 3.2(b), may undertake the actions listed at sub-clauses 6.2(a) to 6.2(c) above:
- (a) following the payment of the first instalment of the Settlement Sum in accordance with sub-clause 2(c) of the Deed; and/or
 - (b) following the payment of the second instalment of the Settlement Sum in accordance with sub-clause 2(d) of the Deed,

subject to the Approval Orders having been made and Upheld.

Final Estimated Distribution Amounts

- 6.8. Following payment of all of the instalments of the Settlement Sum in accordance with sub-clauses 2(c), 2(d) and 2(e) of the Deed, the Scheme Administrator will estimate the portion of the Settlement Sum that will be available for distribution to Registered Group Members, taking into account, as applicable:
- (a) the deductions in clauses 8.1 and 8.2;
 - (b) the quantum of any pre-approved Administration Costs or estimated Administration Costs if any such costs are not pre-approved; and
 - (c) payments of any Interim Distribution Amounts to Registered Group Members.

This is the Final Estimated Distribution Sum.

6.9. The Final Estimated Distribution Sum will be allocated among the Registered Group Members as follows:

- (a) in the proportion which the Unscaled Assessed Loss of each Registered Group Member bears to the aggregate of the Unscaled Assessed Losses for all Registered Group Members; and
- (b) where the proportional assessment in sub-clause 6.9(a) above is less than the Minimum Distribution Amount, nothing will be allocated to the Registered Group Member, and the amount will be included in the Final Estimated Distribution Sum for allocation.

6.10. The amount calculated in accordance with clause 6.9 is the Final Estimated Distribution Amount for that Registered Group Member.

6.11. The Scheme Administrator will send to each Registered Group Member a Final Assessment Notice which must include, but is not limited to:

- (a) if no Interim Distribution Amount has been paid, the Registered Group Member's Trade Data; and
- (b) the Registered Group Member's Final Estimated Distribution Amount.

Binding calculations

6.12. Subject to the discretion in sub-clause 3.2(b)(iii), the calculation of Unscaled Assessed Losses, any Interim Estimated Distribution Amounts and any Final Estimated Distribution Amounts by the Scheme Administrator is final and binding on Registered Group Members, and Registered Group Members are not entitled to seek a review of the decision or appeal to the Court or any other court or tribunal in relation to any asserted error of jurisdiction, fact or law arising from the Scheme Administrator's decision.

7. COLLECTION OF BANK ACCOUNT DETAILS

7.1. Registered Group Members whose Interim Estimated Distribution Amounts and/or Final Estimated Distribution Amounts exceed the Minimum Distribution Amount must, by the deadline in the Interim Assessment Notice and/or a Final Assessment Notice, provide to the Scheme Administrator sufficient bank account details for an Australian bank account to enable the Scheme Administrator to process payments of any Interim Distribution Amounts and/or Final Distribution Amounts.

- 7.2. Upon request from a Registered Group Member, the Scheme Administrator, in its absolute discretion and having regard to the principles in sub-clause 3.2(b), may agree to make payments to more than one nominated bank account or an overseas bank account. The Scheme Administrator will deduct the costs outlined in Schedule A from the Registered Group Member's Distribution Amount for any additional costs incurred in doing so, including the costs of the Scheme Administrator and any additional fees or charges, unless, in its absolute discretion, it determines to waive those costs. If the deduction of those costs reduces any Distribution Amount to below the Minimum Distribution Amount, then those Distribution Amounts will be forfeited, and all forfeited Interim Estimated Distribution Amounts will be included in the calculation of an Interim Distribution Sum in accordance with clauses 8.3 and 8.4, and all forfeited Final Estimated Distribution Amounts will be included in the calculation of the Final Distribution Sum in accordance with clauses 8.8 and 8.9.
- 7.3. If a Registered Group Member does not provide sufficient bank account details by the specified deadline, then:
- (a) the Scheme Administrator may, in its absolute discretion:
 - (i) make further attempts to obtain the necessary details or information, the acceptance of which will be subject to the exercise of the Scheme Administrator's discretion in clause 9.3; and
 - (ii) if it does so, may deduct from the Settlement Sum as additional Administration Costs any additional costs incurred in making such further attempts; but
 - (b) unless sub-clause 7.3(a) applies:
 - (i) the Registered Group Member's Interim Estimated Distribution Amount or Final Estimated Distribution Amount will be forfeited, and the Registered Group Member will have no claim against the Scheme Administrator or the Settlement Sum; and
 - (ii) all forfeited Interim Estimated Distribution Amounts will be included in the calculation of an Interim Distribution Sum in accordance with clauses 8.3 and 8.4, and all forfeited Final Estimated Distribution Amounts will be included in the calculation of the Final Distribution Sum in accordance with clauses 8.8 and 8.9.

- 7.4. For the avoidance of doubt, if a Registered Group Member's Interim Estimated Distribution Amount is forfeited in accordance with sub-clause 7.4(b)(i) above, clause 14.3 of this Scheme will apply and the Registered Group Member will not be entitled to receive a subsequent Interim Distribution Amount and/or a Final Distribution Amount.

8. CALCULATION OF DISTRIBUTION AMOUNTS

Deductions from the Settlement Sum

- 8.1. As soon as practicable after the Approval Orders have been made and Upheld, the Scheme Administrator will pay the Plaintiff's Reimbursement Payment to the Plaintiff from the Settlement Sum.
- 8.2. Subject to the Approval Orders being made and Upheld, as soon as practicable after each instalment of the Settlement Sum is paid by the Defendant in accordance with sub-clauses 2(c), 2(d) and 2(e) of the Deed, the Scheme Administrator will pay the Plaintiff's Costs and Disbursements, in respect of each instalment, to Maurice Blackburn being, for the avoidance of doubt, 27.5% of each such instalment, namely:
- (a) \$5,500,000 from the first instalment payable under sub-clause 2(c) of the Deed;
 - (b) \$6,875,000 from the second instalment payable under sub-clause 2(d) of the Deed;
and
 - (c) \$7,562,500 from the third instalment payable under sub-clause 2(e) of the Deed.

Calculation of an Interim Distribution Sum

- 8.3. If the Scheme Administrator has determined that it is reasonable to undertake the actions listed at sub-clauses 6.2(a) to 6.2(c) above, then the Scheme Administrator will:
- (a) pay any pre-approved Administration Costs as and when they are incurred from the portion of the Settlement Sum which has been paid as at that date; and
 - (b) calculate and set aside from the Settlement Sum:
 - (i) any remaining pre-approved Administration Costs yet to be paid;
 - (ii) any further amounts to be deducted from the Settlement Sum (subject to Court approval), including, without limitation, the Scheme Administrator's reasonable estimate of any additional Administration Costs to be sought; and

- (iii) any amount payable to any tax authority for any tax obligation and/or tax related expense.

8.4. The remaining Settlement Sum will be an Interim Distribution Sum.

Calculation of Interim Distribution Amounts

8.5. As soon as reasonably practicable after the expiration of the deadline set out in an Interim Assessment Notice for the provision of bank account details by Registered Group Members, the Scheme Administrator will calculate an Interim Distribution Amount for each Registered Group Member.

8.6. An Interim Distribution Sum will be allocated among Registered Group Members as follows:

- (a) in the proportion which the Unscaled Assessed Loss of each Registered Group Member bears to the aggregate Unscaled Assessed Losses for all Registered Group Members; and
- (b) where the proportional assessment in sub-clause 8.6(a) above is less than the Minimum Distribution Amount, nothing will be allocated to the Registered Group Member, and the amount will be included in the Interim Distribution Sum for allocation.

8.7. An amount calculated in accordance with clause 8.6 is the Interim Distribution Amount for that Registered Group Member.

Calculation of the Final Distribution Sum

8.8. Following payment of all of the instalments of the Settlement Sum in accordance with sub-clauses 2(c), 2(d) and 2(e) of the Deed the Scheme Administrator will:

- (a) pay any pre-approved Administration Costs as and when they are incurred from the Settlement Sum; and
- (b) calculate and set aside from the Settlement Sum:
 - (i) any remaining pre-approved Administration Costs yet to be paid;
 - (ii) any further amounts to be deducted from the Settlement Sum (subject to Court approval), including, without any limitation, the Scheme Administrator's reasonable estimate of any additional Administration Costs to be sought; and

- (iii) any amount payable to any tax authority for any tax obligation and/or tax related expense.

8.9. The remaining Settlement Sum will be the Final Distribution Sum.

Calculation of Final Distribution Amounts

8.10. As soon as reasonably practicable after the expiration of the deadline set out in the Final Assessment Notice for the provision of bank account details by Registered Group Members, the Scheme Administrator will calculate the Final Distribution Amount for each Registered Group Member.

8.11. The Final Distribution Sum will be allocated among Registered Group Members as follows:

- (a) in the proportion which the Unscaled Assessed Loss of each Registered Group Member bears to the aggregate Unscaled Assessed Losses for all Registered Group Members; and
- (b) where the proportional assessment in sub-clause 8.11(a) above is less than the Minimum Distribution Amount, nothing will be allocated to the Registered Group Member, and the amount will be included in the Final Distribution Sum for allocation.

8.12. The amount calculated in accordance with clause 8.11 is the Final Distribution Amount for that Registered Group Member.

Binding calculations

8.13. Subject to the discretion in sub-clause 3.2(b)(iii), the calculation of Unscaled Assessed Losses, Interim Distribution Amounts and Final Distribution Amounts by the Scheme Administrator are final and binding on Registered Group Members, and Registered Group Members are not entitled to seek a review of the decision or appeal to the Court or any other court or tribunal in relation to any asserted error of jurisdiction, fact or law arising from the Scheme Administrator's decision.

9. PAYMENTS TO REGISTERED GROUP MEMBERS

9.1. Subject to clause 9.4, the Scheme Administrator will as soon as practical after an Interim Distribution Date and/or the Final Distribution Date:

- (a) pay Interim Distribution Amounts or Final Distribution Amounts to Registered Group Members by electronic funds transfer to the Registered Group Member's nominated bank account provided in accordance with clauses 7.1 and/or 7.2; and

- (b) send to each Registered Group Member being paid an Interim Distribution Amount or a Final Distribution Amount a Remittance Notice.

9.2. The Scheme Administrator will commence processing payments on an Interim Distribution Date and/or the Final Distribution Date. Payments will be processed in tranches over a period of time to be determined by the Scheme Administrator.

9.3. The Scheme Administrator may process the payment of Interim Distribution Amounts and/or Final Distribution Amounts to Registered Group Members by alternative means if the Scheme Administrator, in its absolute discretion having regard to the principles in sub-clause 3.2(b), considers that:

- (a) a Registered Group Member has demonstrated to the Scheme Administrator's satisfaction that payment by electronic funds transfer is impracticable for that Registered Group Member; or
- (b) the Scheme Administrator, in its absolute discretion, considers that another method would be more conducive to effecting a timely payment to any Registered Group Member or group of Registered Group Members.

9.4. If the Scheme Administrator is unable to attempt payment of an Interim Distribution Amount or a Final Distribution Amount to a Registered Group Member, or a payment to a Registered Group Member is rejected, due to:

- (a) incorrect bank account details provided by the Registered Group Member; or
- (b) any other action or inaction by the Registered Group Member,

the Scheme Administrator will not make further inquiries with those Registered Group Members to obtain additional bank account details or reattempt the payment of the Distribution Amount unless the Scheme Administrator, in its absolute discretion and taking into account the principles in sub-clause 3.2(b), determines it is reasonable to do so.

9.5. If the Scheme Administrator exercises its discretion under clauses 9.3 and/or 9.4 above, then the Scheme Administrator will deduct the costs outlined in Schedule A from the Registered Group Member's Distribution Amount for any additional costs incurred in doing so, including the costs of the Scheme Administrator and any additional fees or charges unless, in its absolute discretion, it determines to waive those costs. If the deduction of these costs reduces any Distribution Amount to below the Minimum Distribution Amount, then those Distribution Amounts will be forfeited, and all forfeited Interim Distribution Amounts will be included in the calculation of the Final Distribution Sum in accordance with

clauses 8.8 and 8.9, and all forfeited Final Distribution Amounts will be included in the calculation of the Residual Settlement Sum in accordance with clauses 10.1 and 10.2.

9.6. If, after 60 days from an Interim Distribution Date and/or the Final Distribution Date, the Scheme Administrator is unable to transfer payments of Interim Distribution Amounts or Final Distribution Amounts to Registered Group Members or any payment to a Registered Group Member is rejected due to the reasons outlined in sub-clauses 9.4(a) or 9.4(b) above:

- (a) the Registered Group Member's Interim Distribution Amount or Final Distribution Amount will be forfeited, and the Registered Group Member will have no claim against the Scheme Administrator or the Settlement Sum; and
- (b) all forfeited Interim Distribution Amounts will be included in the calculation of the Final Distribution Sum in accordance with clauses 8.8 and 8.9, and all forfeited Final Distribution Amounts will be included in the calculation of the Residual Settlement Sum in accordance with clauses 10.1 and 10.2.

9.7. Notwithstanding any other provisions in this Settlement Distribution Scheme, no payment from the Settlement Administration Fund will be made to any Registered Group Member who is identified by the Scheme Administrator as a Designated Person or Entity.

10. CALCULATION AND DISTRIBUTION OF RESIDUAL SETTLEMENT SUM

10.1. As soon as practicable after completing the payment of Final Distribution Amounts to Registered Group Members, the Scheme Administrator will deal with the remaining Final Distribution Sum as follows:

- (a) pay any remaining pre-approved Administration Costs as incurred;
- (b) set aside any amounts calculated in accordance with sub-clauses 8.8(b)(ii) and 8.8(b)(iii); and
- (c) calculate and set aside any further amounts approved to be deducted from the remaining Final Distribution Sum, and, if appropriate, the Scheme Administrator's reasonable estimate of any additional Administration Costs to be sought for any further distribution to Registered Group Members that were successfully paid a Distribution Amount.

10.2. The remaining Final Distribution Sum will be the Residual Settlement Sum.

10.3. The Scheme Administrator will determine, having regard to the principles in sub-clause 3.2(b), whether the Residual Settlement Sum will be distributed to Registered Group Members.

10.4. If the Scheme Administrator determines that it is uneconomical for the Residual Settlement Sum to be distributed, the Residual Settlement Sum will be donated to the Alliance for Gambling Reform Incorporated (ABN 14 829 021 950) subject to Court approval.

10.5. If the Scheme Administrator determines that it is economical for the Residual Settlement Sum to be distributed, the Scheme Administrator will:

- (a) pay any remaining pre-approved Administration Costs which have been incurred from the Residual Settlement Sum; and
- (b) calculate and set aside final amounts approved to be deducted by the Court, including, without any limitation, any additional Administration Costs to be sought relating to the distribution of the Residual Settlement Sum; and
- (c) calculate the distribution of the Residual Settlement Sum:
 - (i) on a pro-rata basis to Registered Group Members who were successfully paid a Final Distribution Amount in the proportion which their Unscaled Assessed Loss bears to the aggregate Unscaled Assessed Losses for all Registered Group Members; or
 - (ii) as an ex-gratia payment as determined by the Scheme Administrator,

being the Residual Distribution Amount for each Registered Group Member.

10.6. If a Registered Group Member's Residual Distribution Amount is less than the Minimum Distribution Amount, nothing will be distributed to the Registered Group Member and the amount will be included in the Residual Settlement Sum for distribution.

10.7. Without limiting the application of clause 10.5, the Scheme Administrator may in its absolute discretion:

- (a) consider alternative solutions as to how the Residual Settlement Sum should be allocated and paid; or
- (b) apply to the Court for approval of how to allocate part or all of the Residual Settlement Sum.

10.8. The Scheme Administrator will process the Residual Distribution Amount payments in accordance with clause 9. Any payments that are rejected, unsuccessful or otherwise returned to the Settlement Administration Fund will be paid to Alliance for Gambling Reform Incorporated (ABN 14 829 021 950) subject to Court approval.

Binding calculations

10.9. Subject to the discretion in sub-clause 3.2(b)(iii), the calculation of Residual Distribution Amounts by the Scheme Administrator is final and binding on Registered Group Members, and Registered Group Members are not entitled to seek a review of the decision or appeal to the Court or any other court or tribunal in relation to any asserted error of jurisdiction, fact or law arising from the Scheme Administrator's decision.

11. COMPLETION OF SETTLEMENT DISTRIBUTION

11.1. The payment of all Interim Distribution Amounts (if applicable), Final Distribution Amounts and Residual Distribution Amounts in accordance with this Scheme will satisfy any and all rights, claims or entitlements of all Group Members in or arising out of the Proceeding.

12. TAXATION

12.1. Registered Group Members are responsible for obtaining their own taxation advice.

12.2. The Scheme Administrator is not responsible for, and will not be required to, provide or obtain any taxation advice or rulings in relation to any tax potentially payable by Registered Group Members in relation to payment of any Interim Distribution Amounts, Final Distribution Amounts and Residual Distribution Amounts.

13. CLAIMS MADE ON BEHALF OF OTHER PERSONS AND/OR THIRD PARTIES

Application of this clause

13.1. The following provisions apply in circumstances where:

- (a) a Registered Group Member is a corporate entity; and/or
- (b) a person participates in this Scheme on behalf of another person who is a Registered Group Member,

whether in respect to all or part of their claim.

Authorised representative

13.2. The Scheme Administrator may rely on information, instructions and/or declarations from, and steps taken pursuant to this Scheme by, a person who:

- (a) is authorised by law to represent a corporate entity or individual, including, without limitation, authorised company officers, partners, trustees or executors or administrators; or
- (b) declares to the Scheme Administrator that they are authorised to act on behalf of the Registered Group Member and the Scheme Administrator accepts that declared authority.

13.3. The Scheme Administrator reserves the right, in its absolute discretion, to request evidence of any authority referred to in clause 13.2.

13.4. The Scheme Administrator will implement processes for the payment of Distribution Amounts to Registered Group Members' authorised representatives, having regard to the principles in sub-clause 3.2(b) and the quantum of the payment(s) to those Registered Group Members.

14. RIGHTS AND OBLIGATIONS OF REGISTERED GROUP MEMBERS

Cooperation of Registered Group Members

14.1. Each Registered Group Member must cooperate with the Scheme Administrator and take all steps that they are required to take pursuant to this Scheme and/or that are reasonably requested or directed by the Scheme Administrator, including:

- (a) providing instructions, information, documents or other materials;
- (b) providing authorities or permissions or executing documents;
- (c) attending and participating in meetings or telephone conferences with the Scheme Administrator or any other person;
- (d) promptly informing the Scheme Administrator of any change in their Claim Data;
- (e) providing bank account details;

and each Registered Group Member must do so:

- (f) to the best of their ability with the substance and not merely the form of the requirement, request or direction; and
- (g) by the date or within the required time specified in the requirement, request or direction by the Scheme Administrator.

Obligation regarding honesty

14.2. In fulfilling the obligations in clause 14.1, each Registered Group Member must act honestly and must take all reasonable steps to ensure that any of their agents or representatives likewise act honestly.

Failure to comply

14.3. Non-Responsive Group Members will have their claims assessed as \$0 by the Scheme Administrator. Where a Registered Group Member becomes a Non-Responsive Group Member after the Scheme Administrator has issued an Interim Assessment Notice or the Final Assessment Notice, the Scheme Administrator may, but is not obliged to, issue a new Interim Assessment Notice and/or Final Assessment Notice assessing their claim as \$0.

14.4. For the avoidance of doubt, a Registered Group Member will not be entitled to recover any amount they might have received pursuant to this Scheme, but for a failure to comply with the requirements under this Scheme, in any future payment of monies under this Scheme (including, for the avoidance of doubt, the payment of Final Distribution Amounts).

Forfeiture of Distribution

14.5. A Registered Group Member may notify the Scheme Administrator in writing that they wish to forfeit their Interim Distribution Amount(s), Final Distribution Amount or Residual Distribution Amount. Any such amount forfeited by a Registered Group Member will form part of any Interim Distribution Sum, the Final Distribution Sum or the Residual Settlement Sum to be distributed in accordance with this Scheme.

14.6. A Registered Group Member's decision to forfeit their Interim Distribution Amount(s), Final Distribution Amount or Residual Distribution Amount is final and the Registered Group Member will not be entitled to recover any amount they might have received pursuant to this Scheme, but for their decision to forfeit, in any future payment of monies under this Scheme.

Registered Group Members indemnify the Scheme Administrator

14.7. If a Registered Group Member has a legal obligation by reason of receiving an Interim Distribution Amount, Final Distribution Amount or Residual Distribution Amount pursuant to this Scheme, whether under statute or contract or otherwise to any government department, agency, or authority to pay or repay a sum from their Interim Distribution Amount(s), Final Distribution Amount or Residual Distribution Amount and they do not notify the Scheme Administrator of such obligation prior to payment of an Interim Distribution Amount, Final Distribution Amount or Residual Distribution Amount pursuant to this Scheme, the Registered Group Member indemnifies and holds harmless the Scheme Administrator from and against any claim associated with that legal obligation.

15. COSTS

Administration Costs

15.1. Subject to other provisions of the Scheme, Administration Costs are to be paid:

- (a) to the Scheme Administrator on a “solicitor and own client” basis if the Scheme Administrator is a legal practice, or on such other reasonable basis as the Court considers appropriate if the Scheme Administrator is not a legal practice;
- (b) in the first instance, from any Interest earned on the Settlement Sum, any Interim Distribution Sum, the Final Distribution Sum and the Residual Settlement Sum while held in the Settlement Holding Fund and/or the Settlement Administration Fund;
- (c) in such amounts as are approved by the Court from time to time during the implementation of this Scheme; and

Costs of lawyers other than the Scheme Administrator

15.2. Nothing in the Scheme prevents a Group Member from retaining or seeking advice in respect of this settlement from a lawyer who is not performing the role of Scheme Administrator, provided that:

- (a) the Group Member does so at their own cost; and

- (b) the Group Member is not entitled to recover any legal costs from the Scheme Administrator and any such legal costs must not be treated as Administration Costs unless the Scheme Administrator made a written request that the Group Member's lawyer carry out the legal work in question.

16. SUPERVISION BY THE COURT

16.1. The Scheme Administrator may refer any issues arising in relation to this Scheme or the administration of this Scheme to the Court for determination.

16.2. Subject to the Approval Orders having been made and Upheld, the Scheme Administrator will report to the Court:

- (a) following the payment of the first instalment of the Settlement Sum in accordance with sub-clause 2(c) of the Deed:
 - (i) if Interim Distribution Amounts are to be paid, within 20 Business Days of the last Interim Distribution Amount being successfully paid; or
 - (ii) if Interim Distribution Amounts are not to be paid, within 20 Business Days of the Scheme Administrator's decision to not pay Interim Distribution Amounts; and

16.3. Each report prepared in accordance with clause 16.2 will advise the Court of the performance of the settlement (including any steps in this Scheme), including the costs incurred and the distributions made.

16.3A. The Scheme Administrator will report to the Court within seven (7) days of the due date for payment of the second and third instalments of the Settlement Sum in accordance with sub-clauses 2(d) and 2(e) of the Deed, advising on each occasion whether the instalment has been duly received in accordance with the Deed.

- 16.4. On the application of the Scheme Administrator, or of its own motion, the Court may vary or amend the terms of this Scheme.
- 16.5. Any costs incurred by the Scheme Administrator in any such reference to the Court, or in any application made by the Scheme Administrator, will be deemed to be Administration Costs, unless the Court otherwise orders.
- 16.6. As soon as practicable after the Plaintiff has requested the Court make the Dismissal Orders in accordance with sub-clause 8(i) of the Deed, the Scheme Administrator will file a final report to the Court, which confirms the payment of any Interim Distribution Amounts, and all Final Distribution Amounts and Residual Distribution Amounts, and will provide a copy to the Defendant.

- (a) the notice or communication will be sent via alternative means; or

17.4. If the Scheme Administrator deems a notice or communication to be given in accordance with sub-clause 17.3(b), that Registered Group Member will be a Non-Responsive Group Member unless prior to the calculation of any Interim Distribution Amounts or Final Distribution Amounts by the Scheme Administrator in accordance with clause 8, they otherwise contact the Scheme Administrator in relation to the matters in the notice or communication.

17.5. Where a Registered Group Member is not a natural person and one person has been nominated as the designated contact in respect of multiple Registered Group Members, it is sufficient for the purpose of giving notice or communications that any of the provisions of clauses 17.1 and 17.2 are complied with in relation to that nominated person.
