Dear Rebecca,

CVA and Darcy v Myriad

The Board of Cancer Voices Australia (CVA) and I would like to thank you for your professionalism and support during the past (almost) 2 years on this matter of vital importance to cancer patients and their families.

It was a gutsy move on your behalf and we look forward to a positive outcome. We are however, in new territory!

I would like to thank both you and Oscar personally for your commitment to me the client and Yvonne. We all are particularly grateful.

Kind regards

John Stubbs
Executive Officer
